The Yoder-Powell Funeral Home is managing the arrangements, ensuring that Emma receives the tribute she so richly deserves. During her time in the Kaona community, Emma epitomized what it means to be a pillar of love, strength, and faith, leaving behind a legacy that will certainly endure.

For additional details on memorial services and her life, local residents are encouraged to visit Johnson Family Funeral Home.

In a distinct contrast, another Emma Miller, this one aged 88, recently passed as well, highlighting the profound history of our community members. Her services will be held on June 19, 2025, at the Sharon Center United Methodist Church, which may remind us all just how entwined our lives can be in the fabric of local history and shared experiences.
